

TOMMY O'S NORTHWOODS RENAISSANCE FESTIVAL

TOMMY O'S
PLAYHOUSE
HOME of the NORTHERN STARS

Greetings Entertainers and Performers:

You are extended a hearty invitation to participate in the Tommy O's Northwoods Renaissance Festival! Whether you are a paid act or a group that performs just for the fun of being part of a Festival, we are looking for you. There is even "payment" for our non-profit and other non-professional acts. Volunteer acts will receive lunch on us for agreeing to come out and perform while not charging us a fee.

We understand that quality entertainment is at the heart of Renaissance-themed festivals. Your talents are the essential means of immersing attendees in the experience. It is our goal to accommodate the needs of our entertainers/performers and to make them feel at home. We also believe in protecting our entertainers, so in order to avoid repetitive performances, we will attempt to limit our Festival to one of each type of performer with substantially similar acts. You will find all of the details as well as the rules of participation in the Entertainers & Performers Application Contract.

We are scheduling smarter to take advantage of a huge influx of visitors to the area on this particular weekend. We are also aggressively marketing the event with billboards as well as

a wide variety of other advertising on radio, TV, newspapers and on the internet. This is important to you as entertainers since, as you know, extensive advertising drives attendance, ensuring that there will be a large number of Festival-goers on site for each of the three days to admire your performances.

But now is the time for action! There is no time to lose. The earliest to apply within each category or theme will be given priority consideration over all of the later applicants. Please complete the Application form today and return it to us with the other documentation (if needed). You can speed your acceptance by sending your documents online. Please refer to the Application for all of the details.

On behalf of the Festival Management, we hope you will choose to join us for what is going to be another great season. There is nothing like it within 150 miles of the Northwoods, so you will be participating in a quality event with a captive audience. We hope to see you there.

Thank you!

Tom Organiscak, Festival Director
